Camp Card Program – Spring of 2017

This fund raiser is designed to help your Scouts earn their way to day camp, summer camp, Philmont, Jamboree or other programs.

- **What is the Card?**

The Council has enlisted local businesses to provide coupons and dollars off of the various items we all use every day. These are printed on a plastic card with tear-off tabs. These include supermarkets, sandwich shops, sporting goods stores, car washes, and many more. Generally, the purchase discount offers have an expiration date of December 31st of that calendar year. When a customer purchases a Camp Card they can use one of the 2 tabs and register the card online. Each card has a unique identification # and allows you to print up to 10 coupons or use them on your smartphone.

- **How Does It Work?**

Each unit decides to adopt this spring-time sale. Scouts sell plastic Camp Cards to family and friends and to the general public. Each card sells for \$5.00 and the unit/Scout keeps \$2.50 for each card sold. That is a 50% return! The sale is short in duration and provides your unit/Scouts needed funds for their summer programs.

- **Risk?**

Your unit checks out a quantity of Camp Cards and distributes these to your Scouts. Your unit retains \$2.50 for each Card sold and returns \$2.50 for each card and any unsold Camp Cards to the Council. That's it!

- **Timeline?**

Our sale will begin February 15, 2017 and end May 31, 2017. This Camp Card Sale does not replace the fall Popcorn Sale. Again, the purpose of this sale is to allow Scouts to earn their way to camp.

Many local Councils are now selling Camp Cards and the reports are very encouraging. Leaders and parents find it to be an easy sale and customers recoup their purchase price right away. In fact, many Councils indicate that the total value of the Camp Card generally is in the \$70-\$80+ range so it is a real bargain for customers.

For more information about the Camp Card Program contact Albert Gallegos at the Council Offices at Albert.Gallegos@scouting.org or 559-320-2100.
